website disclaimer

This website is for information purposes only. This information is not intended for use without professional advice. **agchem** makes no representations and gives no warranties about the accuracy or suitability of the content published on this website. You rely on the information and the technology contained in this website at your own risk. **agchem** does not represent or warrant that the website content and services will be free from errors or omissions or that use of the website will be uninterrupted. **agchem** accepts no liability and shall have no liability of whatever nature in respect of any claim, damages, loss or expense, whether direct or indirect, including consequential loss or loss of profit, arising out of or in connection with the reliance by you, the browser, on the contents of this website, or of the products and services described herein.

The user agrees to submit exclusively to the law of the Republic of South Africa and the jurisdiction of the courts of the Republic of South Africa in respect of any dispute arising out of use of the website.

e-mail disclaimer

Everything in this e-mail and its attachments relating to the official business of **agchem** is proprietary to **agchem**. It is confidential, legally privileged and protected by law. The person addressed in the email is the sole authorised recipient. Any unauthorized dissemination or copying of this e-mail (or any attachment to this e-mail) or the wrongful disclosure of the information contained herein is prohibited.

Nothing in this e-mail message should be construed as an offer to do business or to conclude an agreement with the recipient, its agents and principals. No agreement between **agchem** and the recipient, its agents and principals shall be enforceable and of any force and effect unless reduced to writing in hard copy and signed by conventional signature (not electronic or advanced electronic signature) by the parties thereto.

Any dissemination, retransmission, review or other use of, or taking of any action in reliance upon, this information by persons or entities other than the intended recipient is prohibited. If you received this in error, please contact the sender immediately and destroy all copies of this e-mail. No confidentiality or privilege is waived or lost by any mistransmission.

agchem reserves the right to monitor all e-mail communications through its networks. The views and opinions expressed in this transmission are those of the sender and do not necessarily represent the views and opinions of **agchem** or its associated companies, except where the message states otherwise and the sender is authorised to state them to be the views of any such entity.

agchem cannot assure that the integrity of this communication has been maintained nor that it is free from malware, any virus, errors, malicious code, interception or interference. Under no circumstances will **agchem** or the sender of this e-mail be liable to any party for any direct, indirect, special or other consequential damages from any use of this e-mail and/or from accessing any attachments and reliance on the information, views, opinions, consents and expressions of intent contained herein, by anyone.

privacy statement

Your privacy is important to **agchem**. This privacy statement provides information about the personal information that **agchem** collects, and the ways in which **agchem** uses that personal information.

personal information collection

agchem may collect and use the following kinds of personal information:

- information about your use of this website;
- information that you may provide for the purpose of registering with the website;
- information that you provide for the purpose of subscribing to the website services; and
- any other information that you send to **agchem**.

using personal information

agchem may use your personal information to:

- administer this website;
- enable your access to and use of the website services;
- send to you products that you purchase;
- supply to you services that you purchase;
- send you statements and invoices;
- collect payments from you; and
- send you marketing communications.

Where **agchem** discloses your personal information to its agents or sub-contractors for these purposes, the agent or sub-contractor in question will be obligated to use that personal information in accordance with the terms of this privacy statement.

In addition to the disclosures reasonably necessary for the purposes identified elsewhere above, **agchem** may disclose your personal information to the extent that it is required to do so by law, in connection with any legal proceedings or prospective legal proceedings, and in order to establish, exercise or defend its legal rights.

securing of your data

agchem will take reasonable technical and organisational precautions to prevent the loss, misuse or alteration of your personal information.

cross-border data transfers

Information that **agchem** collects may be stored and processed in and transferred between any of the countries in which **agchem** operates to enable the use of the information in accordance with this privacy policy.

You agree to such cross-border transfers of personal information.

updating this statement

agchem may update this privacy policy by posting a new version on this website. Regular users should check this page occasionally to ensure they are familiar with any changes.
